**Fanger Packaging, established in 2016, offers dedicated one stop, end to end sourcing solution for packaging boxes.**

**The production team, sales team and senior managers ensure customers' satisfaction within budget. We oversee the supply chain from the initial concept and brief to final delivery. Supply chain is operating as efficiently as possible to generate the highest level of customers' satisfaction at the lowest cost.**

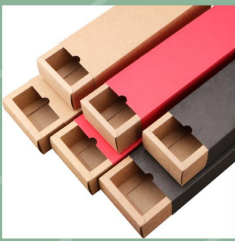

**The custom design department is also an important part of us. We deeply know the importance of packaging idea in marketing, which will impress customers and increase product value.**

**Fanger Packaging also emphasises on sustainable development and has obtained FSC certificate. Not only we develop the business, but also we would pay attention to environmental protection.**
